

CAPT. FRANK H. MASON DEAD

Ex-Consul General Who Died in Paris Had Long Service in Europe.

PARIS, June 21.—Capt. Frank H. Mason, former American Consul General, died here today. He was seventy-eight years old.

Capt. Mason resigned his office as Consul General in June, 1915, after having served thirty-three years in the Consular service. After visiting his home in Ohio he returned to France and became Chairman of the American Ambulance at the outbreak of the war. He was appointed to his Paris post in 1905. Prior to that he had served six years as Consul General at Berlin.

How You Can Quickly Remove Hairy Growths
(Aids to Beauty.)

A well known beauty specialist advises this treatment for the removal of hair from the face: Mix into a paste some powdered delatone and water, apply to hairy surface and after about 2 minutes rub off, wash the skin and every trace of hair has vanished. This method is quick and entirely safe. To avoid disappointment, however, it is well to make certain you get genuine delatone.—Adv.

SUFFRAGE PLANK OF DEMOCRATS AS VIEWED BY WILSON

He Says It Means Question of Votes for Women Should Be Decided by the States.

WASHINGTON, June 21.—President Wilson today interpreted the Suffrage plank in the Democratic platform as being an approval of the Suffrage movement, but as recommending that it should have its inception in the individual States.

The President told Mrs. D. E. Hooker of Richmond, Va., of the Virginia Federation of Labor, sent to Washington to present resolutions urging a Constitutional Amendment for woman suffrage, that the Democratic plank did not necessarily disapprove of the Federal amendment idea, but recommended the movement be taken up State by State.

The Virginia Federation denounced the action of the House Judiciary Committee for not allowing the suffrage question to reach the floor. The President, however, told Mrs. Hooker he did not feel it proper that he should interfere with the committee's action.

"He believes the wiser course is to convert the States to suffrage first," Mrs. Hooker said after her conference. "I do not believe he is totally opposed to a Federal amendment, however."

The President's interpretation of the platform plank came when Mrs. Hooker told him suffragists thought the plank seemed to be "veiled in mystery." The President replied, laughing: "You would seem to accuse us of insincerity and buncombe," and then proceeded, Mrs. Hooker said, to explain what he thought was a proper interpretation of the plank.

Mrs. Hooker said if the Congress does not take some action on suffrage at this session she felt sorry for the Democratic party.

She added the suffrage workers are "going to get to Hughes and find out where he stands, too."

SAYS HINDENBURG IS SAFE.

The German superdreadnought Hindenburg, which the English claimed to have sunk in the Jutland sea battle, was not sunk and was apparently not in the action, according to Charles Hagemeister of Mexico, of German parentage, who arrived in Hoboken this morning on the steamship Oscar II.

Mr. Hagemeister said: "I do not know how many German ships were sunk, but I myself saw the Hindenburg two days after the battle riding safely at anchor in a port several hundred miles from the scene of the fight. Whatever ships were sunk, the Hindenburg was not."

MRS. MAY'S LETTER TO WOMEN

More Proof That Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Chicago, Ill.—"I suffered from a bad case of female ills. Lydia E. Pinkham's Vegetable Compound was recommended and I took about six bottles.

It fixed me up all right. The common symptoms of such a condition—pain when walking, irritation, bearing down pains and backache, nervousness and disorderly digestion—soon passed away. I look much better now than I did before, and I recommend the Compound every time for female troubles, as it did for me all it is claimed to do. You have my permission to publish this letter." Mrs. J. MAY, 3548 S. Lincoln St., Chicago, Ill.

If you have any of the symptoms mentioned in Mrs. May's letter, remember what Lydia E. Pinkham's Vegetable Compound did for her, and try it yourself. It is a good old-fashioned medicine, made from roots and herbs, and it has helped countless numbers of women.

If you need special advice, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.—Adv.
